

13) Click on the blue dot which represents your church on the map and your church profile will appear!

HOW DO WE DRAW NON-CHRISTIANS TO THIS SITE TO FIND OUR CHURCH?

Supply the people in your church with business cards which they can give out to friends, family, workmates, or simply leave in public places where they will be found. All the business cards have the web address www.biblein11.com and the words 'Yep, the whole bible summarised in 11 minutes on video' on one side. On the other side are 'one-liners' to catch attention and draw people to the site. Below are some samples. You can tell us what you'd like on the cards, and we'll supply them to you. These cards are available from www.esisite.com
