Hell isn't just for pizzas

if you're going to heaven,  
have you booked your  
ticket?

You'd have to be nuts to  
get roasted.

Born..live..die..but wait,  
there's more!

You've heard about the  
Book - now see the  
reality show.

**Eternity? Consider it  
your retirement from  
earth gift.**

Sure you get a second  
chance. This is it.

You've got all the time  
in the world... but how  
long is that?

Travel light. You'll get  
there easier without all  
that baggage.

It's like time off for  
good behavior. You get  
all the time in exchange  
for HIS goodness.

It's God's savings plan.  
Better than the bank,  
and with long term  
dividends.

Look, someone's put a  
cross right next to your  
name.

Let's get one thing  
sorted ... your future.

It's called a BIBLE >  
Basic Instruction Before  
Leaving Earth.
